

Hey guys – we got the name of a fabulous handyman from Dan Zahn. He has been fabulous – doing what he says he'll do, arriving on time, putting in a good day's work, cleans up behind himself, personable, excellent quality and reasonably priced. His name is Eric Lathrop and he can be reached at 237.4939 or [eric.lathrop@hotmail.com](mailto:eric.lathrop@hotmail.com).

He did some work around the house for us and we were sorry we didn't connect with him sooner! If you need somebody for yourself or clients, don't hesitate to call him!!!
